Sale House - Rustic

REF. CC 2108

Monferrat Casalese / Casalese and surroundings

Cascinale a Ozzano Monferrato

15020 Ozzano Monferrato

In a beautiful panoramic position, with an open view on the Monferrato hills, a typical farmhouse in brick and stone from the canton is proposed for sale, consisting of a main housing body, as well as a rustic annex once used as a stable, barn and storage rooms. of agricultural vehicles. The totally independent farmhouse, given its size and position, lends itself optimally to a tourist accommodation solution or as a housing solution, or even for agricultural activity.

Including in the sale there are 10,000 meters of land, but with the possibility of further expanding the square footage.

Interesting and negotiable request.
